

WESTERN MARYLAND HEALTH SYSTEM

A Great Place to be a Nurse

Nurse Extern Program

Get a head start on your nursing career with the Nurse Extern Program at Western Maryland Health System (WMHS). Working side-by-side with an experienced registered nurse, you'll learn how to deliver high quality, patient-centered care. You will acquire valuable clinical knowledge and skills, develop critical thinking skills and build your confidence as a nurse.

This exciting opportunity is open to nursing students who are entering their final year at an accredited nursing school. For more information, please call Chloe Bauermaster, Nurse Recruiter, at 240-964-8117.

Earn While You Learn:

Student externs receive \$15 per hour when they commit to work three days per week in the summer and four days per month during the school year.

How to Apply

Visit wmhs.com/career to complete an online application. You'll also need to submit a current transcript, two letters of recommendation from nursing instructors, and a resume. Candidates must also write a 500-word essay on how the WMHS Nurse Extern program will impact their nursing career as a student and as a future graduate nurse.

APPLICATION DEADLINE IS APRIL 28, 2017
Apply online at wmhs.com/careers
